

TOWERS TALK

Life Plan Community - Independent Living • Assisted Living • Long Term Care • Short Term Rehab • HomeBridge

What's in a Name?

You have probably heard the phrase “Continuing Care Retirement Community,” or CCRC at some point. You’ve probably heard it at Westminster Towers since we provide continuing care to our residents. However, a few years ago this name was changed to “Life Plan Community” to appeal to the millions of Baby Boomers retiring soon.

Life. Plan. Community—Why the Change?

Continuing Care implies that you need care immediately upon moving into a retirement community. Not true! Retirement Communities are designed for seniors to move in *before* care is ever needed, but giving the *peace of mind*, it's always available. Life Plan Communities, like Westminster Towers focus on seniors being active—physically and mentally, with a multitude of wellness classes and life enrichment programs.

For more information, visit www.LifePlanCommunity.org.

“I made this decision on my very own and my four children were delighted!

There are no more concerns about housework, yardwork, repairs—or taxes! I highly recommend The Towers for retirement living.”

- Joanne C., Resident since 2013

I haven't danced like that in years...

New Year, New Look

It's just around the corner... we are in the final planning stages of several exciting renovations.

Beginning January 2019, we will be remodeling and expanding our formal dining room to include a Bistro and bar. These plans also include a renovation of our Beauty Salon and Fitness Room.

Not One Size Fits All...

Options are great to have, especially when choosing a home. Not everyone likes the color blue and some people prefer hardwood over carpet. So how do you make everyone happy when no one can agree? Offer options...

Make It Your Own

Westminster Towers has several floor plans to choose from—eight to be exact! Apartment sizes range from efficiency style, studios, to two bedroom apartment homes with balconies, complete with:

- Full kitchens with stainless steel appliances and granite countertops
- Walk-in closets
- Crown-molding through out
- On-site storage

Select from endless paint colors and multiple flooring options to reflect your own sense of style.

Money Talks

Did you know that as a resident of Westminster Towers or any retirement community, a portion of the entrance fee and monthly fees paid may be deducted as medical expenses on your tax returns?

We also added multiple entrance fee options. In the past, we only offered a 75% refund on the entrance fee, but now we offer 25%, 50%, 60%, 75% and even 90% refund options. The less refund you get back, the less your monthly fee.

If that doesn't suit you, we also have rental options available. Contact us for details at (803) 328-5587!

Stuff, Stuff & More Stuff

You're probably looking around your house right now at all of the *stuff* you have accumulated over the past decades and think... I can't get rid of that because I *might* need it some day. I can't get rid of this because the grandkids *may* want it someday. Truth is, if you haven't used it now, you don't need it; and if the grandkids say they don't want it, they don't want it.

When moving to a retirement community, the reality is you probably won't have room to take everything. You need to *downsize*—a word that's overwhelming and scary for many, but it doesn't have to be.

Getting Started

- ⇒ Mark your calendar and make a plan!
- ⇒ Set aside 2-3 hour blocks of time when you will have the most energy.
- ⇒ Set goals that you can accomplish!
- ⇒ Turn off your phone for better concentration.
- ⇒ Tackle one area or room each day.
- ⇒ Never handle an item more than once!
- ⇒ Call Westminster Towers. We can help!
