HomeBridge In-Home Care

Life is meant to be enjoyed.

About Us

Founded in 2007, HomeBridge is a non-profit in-home care agency. We are committed to providing exceptional services that meet the specific needs of the clients we serve. No matter which service is needed, you can rest assured knowing that it is being provided by a team of qualified caregivers.

Our Vision

Our vision is to develop a menu of services forged from collaborative relationships of community organizations, churches, home health and hospice organizations, physicians, local businesses, and developments in technologies aimed to increase safety and enrich the lives of the individuals served, in their choice of environment.

Our Mission

Our mission is to offer supportive services in one's home environment to promote choice and independence while encouraging safety and providing companionship.

Why HomeBridge

When you're looking for home care services for you or your loved one, we know certain qualities are essential in helping you make the best choice. For 15 years HomeBridge has provided top-notch care while ensuring your loved ones remain in the environment that makes them feel safest and most comfortable: their own home. Our caregivers provide the support seniors need to continue living independently at home. We also support individuals recovering from surgery, persons with disabilities, and we provide support to parents of children with disabilities. Learn more about the services we offer. We're sure you'll find our personalized care can provide the support you and your loved one needs.
