To lead senior services by initiating innovative change, providing creative alternatives for life's journey, while anticipating and meeting tomorrow's challenges and opportunities.

Our History

Westminster Presbyterian Center, Inc. was established for the purpose of operating a non-profit, church-sponsored, Christian retirement and health care center for Westminster Presbyterian Church of Rock Hill, South Carolina and the larger community. What began as a vision in the early 1970s became reality in June 1989 as the Towers opened its doors for its first residents. Over the years, Westminster Towers has grown significantly, with our community now offering 131 Independent Living apartment homes, 45 Assisted Living suites, 11 Medicare Certified Short Term Rehabilitation rooms, and 33 Long Term Care rooms.

Our Staff

Westminster Towers has a dedicated staff made up of trained professionals, seasoned in the field of senior living. Not only do our team members have years of experience in healthcare, rehabilitation, food and beverage services, and caregiving services, but they each feel called to the work that they do and express that in empathy and care to each resident here.
